Chairman's Chat

I am sorry it has been so long since the last issue but volunteers have been non-existent and contributions light! However, as we are at the end of the year and considering the annual awards something needed to be done.

The Rockingham Stages, whilst it could have done with some more MCAC members helping out (thanks to those that did put in a appearance and assist), was very successful and will contribute a good amount to the coffers this year. Congratulations to all the award winners and a special mention to new members Chris West (with Keith Hounslow alongside) who set some fastest stage times on the Saturday and the Trophy Rally (on only his 3rd rally) and Rhys Yates who almost won the Sunday event on his second event!

Looking to the future, PLEASE offer to help with the MiddleWick Stages in May. I know many think it is a long way to go, but you only need to make the journey once.

Darren is finding it very difficult to arrange the social calendar, especially the Partner's Evenings due to the poor turnout. What would you like to see for the main Club night each month? What about outside events?

We have the AGM coming up in April and, unfortunately, Martin Lush has intimated that after due consideration he has to give up the job of Treasurer. This is an important position on the Council, which has to be nominated prior to the evening. Therefore, if you are willing to take on this position or know of someone willing to be nominated, please let Andy Greenland know as soon as possible in order that the transfer can be arranged. We also need more volunteers to take on some of the positions on Council as I can no longer carry on fulfilling all the roles that no-one else is able to do. On their own, each role is not too time consuming but together they are taking over my life.

Chalfont Heights Hill Climb

Back in the 1930's a few clubs, including MCAC, ran some hill climbs on a course at Chalfont Heights and June this year is the 80th Anniversary of the last such event run on the public roads that were closed for the event.

David Evans, who lives in Gerrards Cross, is trying to piece together the history of the Hill Climb course and of the events that ran there. He is particularly interested in entry lists, results or, in fact, any information or pictures that are available. If anyone has any such information, please let me know and I will pass on the details to David. Tony

Ford Cortina MkII 1600E

After listening to many years of him going on about the beloved one he had to sell years ago, Susan's dad has just become the owner of a 1600E MkII Ford Cortina.

If anyone has any old bits, which they are keen to sell to help him with the restoration, perhaps they would contact Susan - susan939@btinternet or 07590464307.

Trophies

Most of the trophies have now been returned, suitably cleaned, but there are still a few outstanding:-

Brian Benjamin	Southgate Cup	Jaz Bareham	Jubilee Cup
Paul Bareham	Finchley Cup	Donna Joce	Ladies Cup
Pat Anderson	Bengt Armco		

To enable time for engraving for the new winners, can these please be returned by the weekend (31st January). Please either bring to Club on Thursday (29th) or contact Tony to arrange return.

HOW TO BE A GOOD MEMBER OF A CLUB ???

1. Do not come to the meetings.
2. But, if you do, come late.
3. If the weather does not suit you, don't think of coming.
4. If you do attend a meeting, bind about the officers and other members.
5. Never accept an office. It's easier to criticise than to do things.
6. Nevertheless, get sore if you are not appointed to a Committee, but if you are, don't attend the Committee's meetings.
7. If asked by the Chairman to give your opinion regarding some important matter, tell him you have nothing to say. After the meeting tell everyone how things ought to be done.
8. Do nothing more than is absolutely necessary, but when other members roll up their sleeves and willingly and unselfishly use their ability to help matters along, howl that the Club is being run by a clique.
9. Hold back your dues as long as possible – or do not pay at all.
10. Don't bother about getting new members. Let the Secretary do it.
11. When a banquet is given, tell everybody that money is being wasted on blowouts which make a big noise and accomplish nothing.
12. When no banquets are given, say that the Club is dead and needs a tin can tied to it.
13. If asked to sit at the speaker's table, modestly refuse.
14. If you are not asked, resign from the Club.
15. Do not tell the Club how it can help you, but if it doesn't help you, resign.

The Christine Poxon Celebration Fun Run

Well, after a long wait, it has finally happened. The inaugural running of *The Christine Poxon Celebration Fun Run* took place around the leafy lanes of Oxfordshire on Sunday 27th July.

Following an anxious few weeks after the regulations were issued, a rather respectable 12 cars assembled at Oxford Services on the M40. The driver's briefing took place and the road-books were distributed. The entrants then spent some time trying to work out where the twenty photographs were taken and, once done, then decided which fifteen of them to visit and in which order.

Gradually, the cars all drove away from the services until finally Brian Catt, Max and I were the only people left there (apart from the thousand or so people visiting who were nothing to do with the event). We then decided how we were to while away the time until the finish control opened at 4.00pm. I was going to tell Brian where on the map the clues were located when we discovered that Brian had brought the wrong map, clutching as he did map 164 instead of 165. Fortunately there is quite a large overlap between the maps, so Brian was able to plot enough points to keep him amused for the afternoon. Max and I selected the points that we were going to visit and watch all the entrants running round like headless chickens trying to answer the questions. Unfortunately, things did not work out to plan. We elected to visit the plots south of the M40 and it appears that the competitors elected to travel north first. It was quite a lonely afternoon. We were heading for the finish when we decided to try one more clue as we were passing nearby. Here we had our only encounter of the afternoon. As we were arriving, Brian came ambling round the corner (having secreted his car out of the way so as to not help the competitors). He was studiously listening to Radio 5 and the exploits of one Lewis Hamilton at the Austrian Grand Prix. We stayed with him to hear the commentary on the closing laps of the race and then headed to the finish in Stadhampton.

We arrived at the finish and agreed with Tony (an ex colleague of mine and now land-

lord of The Crown) where we would set up our results table, then sat and waited for the competitors to arrive. First to arrive was Joe Poxon and co-driver Roberto and Max and I set about marking their answer sheet. Competitors were kind to us arriving as they did, just as we finished marking the previous sheet, so we were kept quite busy for the hour and a half that the finish control was open. It soon became apparent that we had a problem, four cars had all cleaned the event and we were left to sort out the winner. (team Andrew Williamson had actually managed to visit and answer all twenty of the clues but, in accordance with the rules, only fifteen answers were counted).

The tie break was for the drivers to declare what the tyre pressure in their front offside wheel was supposed to be, a tyre pressure gauge appeared and I went to check what the drivers actual pressures were. It first seemed that we still had a problem as the first two cars checked were both out by half a psi! Peter Cox claimed fourth place with a difference of four psi and so it was down to Tony Phillips. He told me that there was an easy way to check his and turned on his ignition. A light on the dashboard declared that he had thirty seven and a half psi but I was not prepared to accept that and said that the pressure must be checked with the same gauge as the rest. This gave us thirty seven psi, which was exactly what Tony had declared and so he was deemed the winner, with Andrew and Sav Johal being joint second.

Other placings are as listed at the end of this article.

Thanks are extended to Max, who spent many days driving around taking photographs, to Brian for illustrating this article and taking other photos to record the event for posterity, and also to all those that entered, we could not have done it without you. Thanks also go to Tony and Carole Brandon and their staff at The Crown in Stadhampton for extending their usual Sunday meal times so that we would have something to eat at the finish.

A special thank you is extended to Joe Poxon, not only for his support of the event and providing such an apt photograph of Christine for the cover of the roadbook (shown at the top of this article), but also for his extremely generous gesture of paying for the first drink for every entrant on the event.

In a moment of madness, I understand that I have agreed to put myself (and Max) through all of the traumas and stresses in volunteering to organise the event again next year.

It would be a pleasure so that the memory of this special lady is not faded in the annuls of Middlesex County Automobile Club.

Results:

1st	Tony Phillips	2nd=	Sav Johal	2nd=	Andrew Williamson
4th	Peter Cox	5th	Joe Poxon	6th	John Williams
7th=	Malc Farmer	7th=	Guy Anderson	9th	Kevin Wick
10th	James Riley	11th	John Wilson	12th	John Gibsom

With apologies to navigators, but the only names that we had were the entrants. Rather than put some navigators in the list, we have omitted them all.

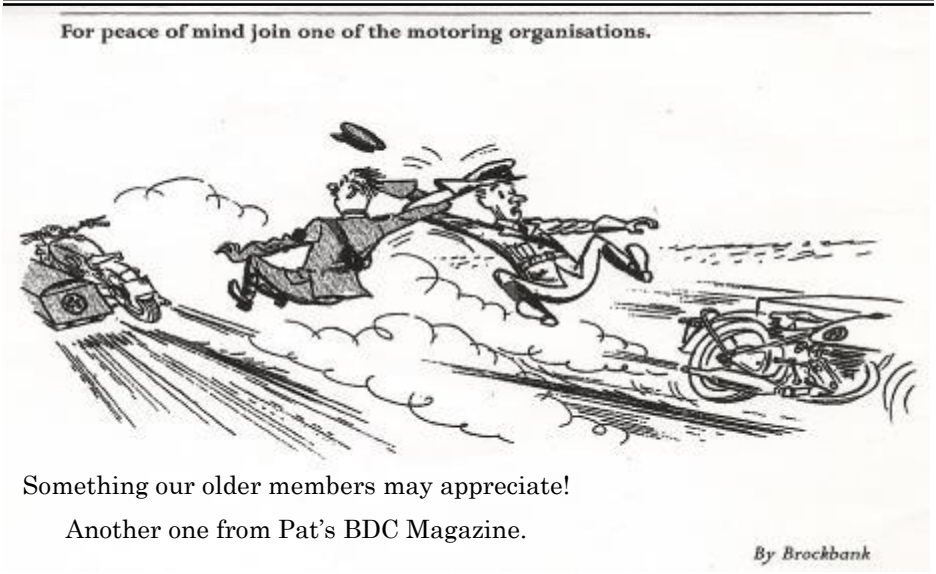
Club Championships

At the January Council Meeting it was decided to make a couple of changes to the various Championship Rules:

The **Annual Championship** Year will, in future, run for the calendar year, so the 2015 year will run from 1st December 2014 to 31st December 2015.

The **Middlesex Challenge** will be restricted to a maximum of 2 events per category.



Something our older members may appreciate!

Lynda Jackson Macmillan Centre

support & information at Mount Vernon Cancer Centre

Mount Vernon Cancer Centre, Northwood, Middlesex HA6 2RN

One in three people will develop cancer at some stage in their lives so it is not surprising that cancer is, perhaps, the disease that people fear most.

A diagnosis of cancer can lead to a wide range of emotions such as fear, anxiety and stress.

The Lynda Jackson Macmillan Centre (LJMC) provides a service that supports patients and their families and helps them cope with all aspects of the disease from diagnosis, through treatment and beyond.

Opened in 1993, the LJMC was the first centre of its kind to offer a full range of support and information services, including counselling and complementary therapies, to cancer patients and their carers.

Since opening, the centre has won many awards for its innovative work and the quality of information it provides.

The LJMC forms part of the Mount Vernon Cancer Centre in Northwood with a large catchment population encompassing Herts, Beds, parts of Bucks and Berks, Middlesex and North London. The LJMC receives more than 20,000 requests for help each year.

The LJMC is partially funded by the NHS but relies on voluntary donations and fundraising activities for the remainder of its running costs – in excess of £600,000 each year.

Thank you for your support of the centre. Every penny that is given to the LJMC goes directly towards the provision of our services.

If you would like more information about the LJMC and how you can be involved, including opportunities for volunteers, please get in touch.
