Thank you to everyone for supporting the MiddleWick Stages 2010 at MOD Woodbridge, especially the officials and marshals, who braved the weather to ensure that a good day was had by all. Without their help and assistance it just would not be possible to run the event. Thanks are also due to the staff and personnel at MOD Woodbridge, for allowing us the use of the venue, and to Chelmsford Motor Club for the use of their equipment.

Also, a special thanks to those that helped with the clear-up, which meant that we were able to leave the site by 7.00 pm - not bad considering the amount of equipment that was spread around the large venue!

Congratulations to Richard Upton / Paul Bareham on repeating their win from last year after a day-long fight with Pete Rayner / Louise Earthy, finally settled when Pete suffered a puncture near the end of the last stage.

As you know, we were supporting the Lynda Jackson Macmillan Centre for cancer support and information at Mount Vernon Hospital and, through your generosity, we raised over £425 which, with the 'Gift Aid' initiative, provides over £550 for the charity.

A marshals' draw was held after the event and we offer our congratulations to the winners:-

- £30 **David Jones** from Dunstable
- £20 **Colin Mansfield** from Colchester
- £20 **Frank Porter** from Felixstowe
- £10 **Neil Garton** from Hertford
- £10 **Nigel Payne** from Stanford-le-Hope
- £10 **Osian Meilyr** from Cross Keys, Newport

Our next event is the **Rockingham Stages** on 4/5th December - another awesome venue offering 85+ miles in 10 stages over the 2 days at Rockingham Motor Speedway. With 3 stages in the dark, you will need those spotlights!

The next stage event at MOD Woodbridge will be Chelmsford MC's '**Woodbridge Stages**' on Saturday 25th September 2010 and we will be back next year.

Lynda Jackson Macmillan Centre

for cancer support & information

Mount Vernon Hospital, Northwood, Middlesex HA6 2RN

... working to improve the lives of people affected by cancer...

One in three people will develop cancer at some stage in their lives so it is not surprising that cancer is, perhaps, the disease that people fear most.

A diagnosis of cancer can lead to a wide range of emotions such as fear, anxiety and stress.

The Lynda Jackson Macmillan Centre (LJMC) provides a service that supports patients and their families and helps them cope with all aspects of the disease from diagnosis, through treatment and beyond.

Opened in 1993, the LJMC was the first centre of its kind to offer a full range of support and information services, including counselling and complementary therapies, to cancer patients and their carers.

Since opening, the centre has won many awards for its innovative work and the quality of information it provides.

The LJMC forms part of the Mount Vernon Cancer Centre in Northwood

with a large catchment population encompassing Herts, Beds, parts of Bucks and Berks, Middlesex and North London. The LJMC receives more than 15,000 requests for help each year.

The LJMC is partially funded by the NHS but relies on voluntary donations and fundraising activities for the remainder of its running costs. In the year 2009-10, these will exceed £550,000.

Thank you for your support of the centre. Every penny that is given to the LJMC goes directly towards the provision of our services.

If you would like more information about the LJMC and how you can be involved, including opportunities for volunteers, please get in touch.
